

Online hustings and voting guide

The English Party has directed that all hustings and voting in connection with the selection of Prospective Parliamentary Candidates (“PPCs”) will be online until the next General Election.

The Hustings for this selection will be held on Tuesday 12 December 2023 at 7.30pm. Zoom is a widely used platform for virtual meetings and is approved and used by the Party generally. It is simple, quick and easy to use.

To access the Hustings use the link here:

For the purposes of the hustings, you may not necessarily be able to see or hear your fellow attendees but will be able to see and hear the candidates, the Chair, and the Returning Officer.

How will I be able to vote for the PPC Candidates?

Voting will be electronic and will not start until after the completion of the last hustings. As you are receiving this by e-mail your e-ballot will be sent to the same e-mail address.

Voting will be by the Single Transferable Vote (STV) method and you will be able to express your relative preferences for the candidates.

Only members who were on the membership register for the Hammersmith wards and the Chiswick wards of each borough (in accordance with the Local Parties Constitution) and were fully paid up or who having lapsed no more than 3 months before that date have re-joined before the first Hustings are eligible to vote.

You will receive further details about the e-ballot with your ballot e-mail.

Questions

If you wish to ask a question to be put to the Candidates, please pre-submit it by email to the Returning Officer, Richard Marks, in advance by email to richard2957@gmail.com

You may also be able to use the chat/Q&A facility during the Zoom

Hustings to ask questions which we shall endeavour to pick up. However, in view of the limited time available for them to be collected and moderated by the Returning Officer during the Hustings, there is no certainty in either case that they will be in time to be put to the candidates.
